In this role you may perform some or all of the following, among other duties that may be assigned:

- Load and unload vehicles and trailers with equipment and supplies
- Load and unload equipment and supplies onto or from pallets, racks, shelves, etc.
- Dispose of construction debris into bins
- Retrieve material from storage to bring to work areas
- General jobsite and yard cleanup and organization
- Hoist material to and from roof using manual or electric hoist
- Secure attachments and loads to cranes, hoists, etc.
- Stack or assemble materials into bundles and bands
- Shovel material such as sand and gravel into bins, hoppers, etc.
- Follow instructions of Foreman
- Perform equipment inspections
- Maintain a safe and healthy worksite
- Follow company policies and procedures, as well as legislative requirements

ABOUT YOU

To be successful in this role, you will need the ability to:

- Work in a fast pace environment
- Lift repeatedly
- Work outside in varying temperatures and climate conditions
- Work in a team setting
- Follow directions
- Work safely

A valid driver's licence, Working at Heights training, and flat roofing experience would be an asset.

WHAT WE CAN OFFER

Conestoga Roofing and Sheet Metal Ltd. offers the following, among others, to our employees:

- At a minimum, a \$20/hr wage for General Labourers
- RRSP program with an employer match
- Excellent benefits package that includes vision, dental, health care, Employee Assistance Program, and more
- Safety boots and clothing allowances
- A safe and healthy work environment
- Company events throughout the year such as year-end party and others
- Friendly staff that are here to help
- Paid safety training
- Roofer apprenticeship sponsorship
- Opportunities for growth

CONESTOGA ROOFING

INDUSTRIAL & COMMERCIAL FLAT ROOFING

ABOUT OUR COMPANY

Conestoga Roofing and Sheet Metal Ltd. provides roofing systems for commercial, industrial, and institutional buildings and has been operating since 1982.

With over 35 years' experience, the company is a preferred supplier of roofing systems across Southern Ontario because of its established expertise, fully staffed crews, administrative support staff, skilled estimators, and its complete equipment and mechanical fleet.

Our company is AODA compliant - during the recruitment process, will make accommodations upon request.
